Half-year results 2026: revenue up 7.5%, guidance confirmed

HIGHLIGHTS OF THE FIRST HALF OF 2026

Nordlys Énergie SA (Euronext Paris: NRDL; TSX: NRD) (the "Company" and, together with its subsidiaries, the "Group") today announces its unaudited consolidated results for the six months ended 30 June 2026.

Consolidated revenue reached EUR 148.6 million, an increase of 7.5% compared with the first half of 2025, driven by the full contribution of the Skagen offshore wind farm (1,250 MW) commissioned in November 2025.

EBITDA amounted to EUR 41.2 million, representing an EBITDA margin of 27.7%.

The net result attributable to shareholders amounted to EUR 12.4 million, compared with EUR 9.8 million for the first half of 2025.

Electricity production totalled 3,412 GWh over the period and net debt stood at EUR 96.3 million as at 30 June 2026.
