MERIDIAN PACIFIC HOLDINGS LIMITED

(Incorporated in the Cayman Islands with limited liability)

(Stock Code: 1877)

DISCLOSEABLE AND CONNECTED TRANSACTION — ACQUISITION OF 60% EQUITY INTEREST IN HARBOUR LOGISTICS LIMITED

INTRODUCTION

The Board is pleased to announce that on 23 September 2026 (after trading hours), the Company entered into the Agreement with the Vendor, pursuant to which the Company has conditionally agreed to acquire, and the Vendor has conditionally agreed to sell, the Sale Shares, representing 60% of the issued share capital of the Target, for a total consideration of HK\$12,400,000.

The Agreement follows a non-binding memorandum of understanding signed by the Company and the Vendor on 8 August 2026, the terms of which are superseded in their entirety by the Agreement.

The Acquisition constitutes a discloseable and connected transaction of the Company and is subject to the reporting, announcement, circular and Independent Shareholders' approval requirements under Chapter 14 and Chapter 14A of the Listing Rules.

THE ACQUISITION AGREEMENT

The principal terms of the Agreement are summarised below.

Date

23 September 2026 (after trading hours)

Parties

Purchaser: the Company.

Vendor: Golden Anchor Investments Limited, a company incorporated in the British Virgin Islands with limited liability, which is wholly owned by Mr. Chan Wai Kwong, a non-executive Director.

The Vendor is a substantial shareholder of the Company holding approximately 18.75% of the issued Shares and is therefore a connected person of the Company. Further details are set out in the section headed "Listing Rules Implications" below.

Assets to be acquired

Pursuant to the Agreement, the Company has conditionally agreed to acquire the Sale Shares, being 6,000 ordinary shares in the Target, representing 60% of the entire issued share capital of the Target as at the date of this announcement. The remaining 40% of the issued share capital of the Target is held by Mr. Lam Tak Shing, an Independent Third Party, who will continue to hold his interest following Completion.

The Sale Shares shall be acquired free from all encumbrances and together with all rights attaching to them as at Completion, including the right to receive all dividends declared, made or paid on or after the date of Completion.

Consideration

The Consideration is HK\$12.4 million, payable in cash on Completion. The Company shall procure the payment of the Consideration from its internal resources. No deposit is payable by the Company prior to Completion.

The Consideration was determined after arm's length negotiations between the Company and the Vendor on normal commercial terms with reference to, among other things, the unaudited net asset value of the Target of approximately HK\$16.8 million as at 30 June 2026, the audited net profit after taxation of the Target of approximately HK\$2.52 million for the year ended 31 December 2025, and the preliminary valuation of the entire equity interest in the Target of HK\$21.0 million as at 30 June 2026 prepared by Ascent Appraisal Limited, an independent professional valuer, using the market approach.

On this basis, the Consideration represents a discount of approximately 1.6% to the valuation attributable to the Sale Shares of HK\$12.6 million and a price-to-earnings multiple of approximately 8.2 times.

The Directors (other than the independent non-executive Directors, whose views will be set out in the circular after considering the advice of the Independent Financial Adviser) consider that the Consideration is fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Conditions precedent

Completion is conditional upon the fulfilment of the following Conditions:

- (a) the Vendor having delivered to the Company the audited financial statements of the Target for the year ended 31 December 2025, and there having been no material adverse change in the business, assets or financial position of the Target since 30 June 2026.
- (b) the Vendor having obtained all necessary third-party consents in respect of the Acquisition.
- (c) the Independent Shareholders having approved the Acquisition at the EGM.
- (d) the warranties given by the Vendor under the Agreement remaining true, accurate and not misleading in all material respects as at Completion.

The Company may waive the Condition relating to the warranties given by the Vendor at its sole discretion. None of the other Conditions may be waived. As at the date of this announcement, none of the Conditions has been fulfilled.

If the Conditions are not fulfilled on or before 31 December 2026 (the "Long Stop Date"), the Agreement shall lapse. Upon the Agreement lapsing, neither party shall have any claim against the other save for any antecedent breach.

Completion

Completion shall take place on the fifth Business Day after the date on which all the Conditions have been fulfilled (or waived, as the case may be), or such other date as the Company and the Vendor may agree in writing.

Upon Completion, the Target will become a non-wholly owned subsidiary of the Company, and the financial results of the Target will be consolidated into the consolidated financial statements of the Group.

INFORMATION ON THE TARGET

The Target is a company incorporated in Hong Kong with limited liability on 14 March 2011. The Target is principally engaged in the provision of freight forwarding and warehousing services in Hong Kong. It operates a bonded warehouse of approximately 68,000 square feet in Kwai Chung, maintains a fleet of 24 container trucks and employed 112 full-time staff as at 30 June 2026.

The Target also holds the entire equity interest in Harbour Logistics (Shenzhen) Company Limited, a wholly foreign-owned enterprise established in the PRC with a registered capital of RMB5,000,000, which provides cross-border trucking services between Shenzhen and Hong Kong.

Set out below is a summary of the financial information of the Target for the two years ended 31 December 2025, as extracted from its audited financial statements prepared in accordance with Hong Kong Financial Reporting Standards.

For the year ended 31 December 2024, the Target recorded revenue of approximately HK\$41,600,000, net profit before taxation of approximately HK\$2,150,000 and net profit after taxation of approximately HK\$1,790,000.

For the year ended 31 December 2025, the Target recorded revenue of approximately HK\$48,200,000. Its net profit before taxation and net profit after taxation for the year ended 31 December 2025 were approximately HK\$3,020,000 and HK\$2,520,000 respectively. Of the revenue of the Target for the year ended 31 December 2025, approximately RMB9,300,000 (equivalent to approximately HK\$10,100,000) was derived from the PRC subsidiary.

The unaudited net asset value of the Target as at 30 June 2026 was approximately HK\$16,800,000.

INFORMATION ON THE VENDOR

The Vendor is an investment holding company incorporated in the British Virgin Islands with limited liability. The Vendor is wholly owned by Mr. Chan Wai Kwong, a non-executive Director. Mr. Chan has over 25 years of experience in the logistics industry in Hong Kong and founded the Target in 2011. Save for its shareholding in the Company and its interest in the Target, the Vendor does not carry on any other business.

INFORMATION ON THE GROUP

The Company is an investment holding company incorporated in the Cayman Islands with limited liability, the Shares of which are listed on the Main Board of the Stock Exchange. The Group is principally engaged in the trading of building materials, the provision of supply chain management services and property investment in Hong Kong and the PRC.

For the six months ended 30 June 2026, the Group recorded unaudited revenue of approximately HK\$186,500,000 and profit attributable to owners of the Company of approximately HK\$9,400,000.

REASONS FOR AND BENEFITS OF THE ACQUISITION

The Group has been providing supply chain management services to customers in the building materials sector since 2019 and has relied on third-party service providers for freight forwarding and warehousing. The Board believes that the Acquisition will allow the Group to internalise these functions, reduce its logistics costs and broaden the range of services offered to its existing customers.

The Target recorded growth in revenue of approximately 15.9% for the year ended 31 December 2025 and maintains long-standing relationships with a number of shipping lines and airline cargo agents.

Following Completion, the Group may consider further acquisitions in the logistics sector. Any such acquisition will be subject to the applicable requirements of the Listing Rules and a separate announcement will be made by the Company as and when appropriate. As at the date of this announcement, the Company has not identified any specific target and has not entered into any agreement, arrangement or understanding in respect of any such acquisition.

The Directors (other than the independent non-executive Directors, whose views will be set out in the circular after considering the advice of the Independent Financial Adviser) are of the view that the terms of the Agreement are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Mr. Chan Wai Kwong, who is interested in the Acquisition through his interest in the Vendor, has abstained from voting on the relevant Board resolution. Save as disclosed above, none of the Directors has a material interest in the Acquisition.

LISTING RULES IMPLICATIONS

As one or more of the applicable percentage ratios (as defined under Rule 14.07 of the Listing Rules) in respect of the Acquisition exceed 5% but all of them are less than 25%, the Acquisition constitutes a discloseable transaction of the Company under Chapter 14 of the Listing Rules and is subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules. The highest applicable percentage ratio in respect of the Acquisition is approximately 6.8%.

As at the date of this announcement, the Vendor holds 412,500,000 Shares, representing approximately 18.75% of the issued share capital of the Company, and is therefore a substantial shareholder of the Company and a connected person of the Company under Chapter 14A of the Listing Rules. Accordingly, the Acquisition also constitutes a connected transaction of the Company and is subject to the reporting, announcement, circular and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

An Independent Board Committee comprising all the independent non-executive Directors, namely Mr. Ho Kam Fai, Dr. Leung Mei Yee and Mr. Ng Chun Yin, has been established to advise the Independent Shareholders on the terms of the Agreement and the Acquisition. Crestview Capital Limited has been appointed as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders in this regard.

EGM

The EGM will be convened and held for the Independent Shareholders to consider and, if thought fit, approve the Agreement and the transactions contemplated thereunder. The Vendor, Mr. Chan Wai Kwong and their respective associates, who together hold 412,500,000 Shares as at the date of this announcement, will abstain from voting on the resolution to be proposed at the EGM.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no other Shareholder has a material interest in the Acquisition and is required to abstain from voting at the EGM.

A circular containing, among other things, further details of the Agreement, the recommendation of the Independent Board Committee, the letter of advice from the Independent Financial Adviser, the valuation report on the Target and a notice convening the EGM is expected to be despatched to the Shareholders on or before 15 October 2026. The EGM is expected to be held on or before 6 November 2026.

GENERAL

The Acquisition is subject to the fulfilment of the Conditions and may or may not proceed. Shareholders and potential investors should exercise caution when dealing in the Shares.

This announcement is made in both English and Chinese. In the event of any inconsistency, the English version of this announcement shall prevail.
